PROFESSIONAL EXPERIENCE

Software Developer, CloudEcho Systems PVT LTD   **May 2023 - Present**

- Developed and maintained responsive WordPress websites using Elementor Pro, WPBakery, and custom themes tailored to client requirements.
- Translated Figma and Canva designs into SEO-friendly, pixel-perfect web pages with cross-browser and cross-device compatibility.
- Optimized website performance by implementing best practices in code structure, image compression, and caching techniques.
- Collaborated closely with designers, developers, project managers, and directly with clients to ensure smooth communication and timely project delivery.
- Integrated third-party plugins, tools, and APIs to extend website functionality and enhance user experience.
- Used Git for version control and Jira for agile task management and sprint planning.

Software Trainee, Techfifo Innovations, Kochi   **Nov 2022 - Jan 2023**

- Developed and maintained web applications using PHP and codeIgniter, ensuring robust and scalable backend functionality.
